## RESTORE, RENEW, REBUILD

The last six months have flown by! Our trip to India in January went wonderful. Darshini had a blast getting to know the kids, playing badminton, and tending to baby chicks. Ministry and getting to know the children was amazing! Since returning, we have enjoyed visiting lots of churches and friends, both new and old. It is amazing how God connects fellow believers. The Kings Kids are doing well and studying hard. They are getting good grades, enjoying each others company, and learning about Jesus. Rod recently went to India with Pastor Ben Stone. They held a three day gospel crusade and God moved in mighty ways, as He always does. Whenever you step out in faith and are obedient, you often times get fought spiritually. On the second night the generator stopped working; we later found out anti-Christian groups put sand in the generator to stop the meeting. Everyone prayed for half an hour fervently and it came back on! To God be the glory! Many were healed and set free by the power of the Holy Spirit! God also held the rain until the crusade was complete!

Thank you to River of Life Outreach, New Life Assembly of God, and all who have donated much needed wells.

*The Kings Kids say hello and thank you for all you do for us! God Bless You Abundantly!*

UPCOMING PLANS: As many of you know, we are going to India as full time missionaries beginning the middle of October. As we take

### COME SEE US!!!

You are cordially invited to come to India. We want as many as possible to see what the Lord is doing. God will change and bless you as you bless this nation!

this step of faith, we believe God will open more doors and make future plans clear. This trip will focus on investing in the Kings Kids and staff. Our goals are to organize, implement a children's behavioral program, and Bible character lessons. We want every child and staff member to know they are created in the image of God and He has a purpose for their life. Please pray that we accomplish all of the plans and purpose in God's heart. Preaching, teaching, mentoring, village ministry, and more will be done. Please pray for our house to sell, God's provision for daily needs, safety and good health while we're in India. We are currently raising monthly support for this time and praying for a ministry vehicle as well.

### FUTURE PROJECTS/ VISION:

#### SEWING CENTER:

To teach children how to sew so they can earn a living or help get financial support through college.

#### PERMANENT AWNING

#### SECURITY FENCING

#### GREENHOUSE/ GARDENING

Please contact us if you can help in any of these areas.

Believing God has called us, we will go-no matter what!

**Encouragement Corner:** You are important to us. God has plans for your life. He has and is what you need; He is what your heart yearns for. Everything you desire is in Him. He sees your heart and knows all your thoughts. There's nothing that shocks Him, or catches Him by surprise. As you seek the Lord, know that He hears every single prayer. Don't give up on what you have in your heart to do for him. He is faithful to complete what He's called you to do. If you lose your life for God, you will find it. These are some things the Lord has been speaking to us. He is your first love, we pray that your love will be rekindled and you know Him in a deeper way. He is faithful and true!

**Matthew 16:25** For whoever wants to save their life will lose it, but whoever loses their life for Me will find it.
